TOTARA MENS HOODED TEE

I found the Totara Men's Hooded Tee to be very comfortable and nice to wear on those hot summer days. V-neck Hooded tee with stretch-mesh underarm & back panels to maximise ventilation. Add this to a super comfortable, lightweight, 4-way stretch, odour control and UV50+ fabric and you have a highly technical garment well suited to your needs. Certainly, another great product out on the market. Well done to the team at Lonely Track check out their web site on www.lonelytrack.co.nz
